The agenda of Side Meeting #2 is listed below.
- Roll Call (Quick Introduction)
- CCN TC Mission and Objective
- CCN TC Members' Perspective

Quick Introduction:

- Members briefly introduce themself and their research area.

CCN TC on LinkedIn

- Recruit new TC members.
- Communicate with TC members
- Post the CCN news.

Action Item: Send an e-mail to the attendees to share the link with the TC members who has not joined the LinkedIn group.

CCN TC Members' Perspective:

Dixson and the attendees discussed the international cooperation/projects among TC members, and concluded that the TC members would become progressive if there is a good platform for TC members and the society supports some grants.

Action Item: To increase the international cooperation/projects among TC members, Dixson will present some proposals to the TC Board Meeting and endeavor to achieve some supports or grants from the IEEE CTSoc.

Next Meeting:
- The side meeting was finally very successful. Dixson sincerely hoped the side meeting would be held regularly and gradually make strong interconnections among our TC members.
