

MoM :

### Pass downs from TC Officer's meeting

#### 1. Tech Talks

<https://ctsoc.ieee.org/technical/technical-talks.html>

Nov 27th –

Tech talk - The fourth webinar was organized by TC on Audio/Video Systems and Signal Processing (AVS) and the TC on Consumer Systems for Healthcare and Wellbeing (CSH) - Prof. Yu Tsao, Arman Zafaranchi

Wearable Devices and Machine Learning Algorithms for augmented oral communication assistance.

AI based methods for automatic detection of lung nodules in computed Tomography scans

***Yogesh Marathe** summarized Tech Talks in November and provided pointers to recordings.*

***Jianlong Fu** briefly shared his experience on volunteering for one of the previous conference committees.*

***Goran Petrovic** who works with a top Automotive OEM and engages with German university enquired about process for submitting abstracts for upcoming Tech Talks.*

*We discussed about encouraging associated professors/students willing to present in webinars first join the CEA TC and present their work in Tech talks / webinars or CEA all member meetings.*

Upcoming Webinar - 5th Tech talk December 2023 (date TBD) will be from CCN - Consumer Communications Networks and Connectivity QCT - Quantum in Consumer Technology TCs

#### 2. Review on technical community memberships

- a. There was an ask to review member activity across TCs. We must conduct minimum 2 meetings yearly and expect TC members to participate (**2 in a year – we can do it!**).
- b. Welcome new member of CEA TC - Dr. Chao Huang (The Hong Kong Polytechnic University)

### Upcoming Conferences

IEEE CTSoc 2024 conference on "Gaming, Entertainment and Media" (IEEE GEM 2024) - June 5-7, 2024

<https://www.ieee-gem2024.org/>

is seeking for volunteers serving in Technical Positions.

Those interested in this opportunity are invited to fill in the form at

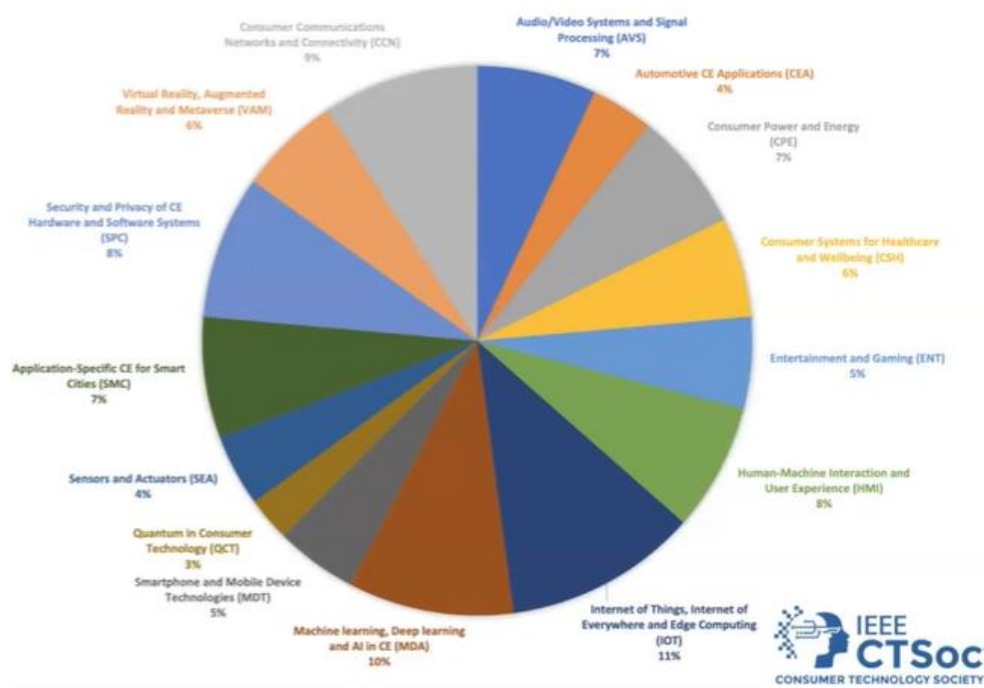

<https://forms.gle/FUgxiftbVfEFTga8>

The call for volunteers will be open till **December 8, 2023 (Tomorrow)**

## Path Ahead:

CEA TC participation close to 4% - **Low**

Data on % participation for various TCs under CTSoc – Source <TC officer’s meeting / **Fabrizio Lamberti**>

Please invite new member to join TC and volunteer for support in CTSoc conferences.

membership form <https://ctsoc.ieee.org/technical/technical-committees-maf.html>

*Had a discussion on - Should we have CEA RC community expansion targets for 2024?  
Couple of methods suggested – we need to target conferences / events like CES and  
advertise more about CEA TC,*

*CEA TC,*

*have members attending these events talk about*

*possibly have LinkedIn community page.*

Meeting recording available on demand – please reach out to me if interested.

Regards,  
Yogesh.
